Scarlet Fever and Complications Caused Death of Ruth Carpenter.

Ruth Carpenter, daughter of Mr. and Mrs. Leslie Carpenter, passed away on Saturday, July 15, at her home, after an illness of nine weeks with scarlet fever and complications. She was in Eastern hospital for treatment, but organic heart trouble developed, which was the immediate cause of her death. The funeral services were held at 2 p. m. Monday in the Methodist church, Rev. F. E. Currier officiating. There was a great profusion of beautiful flowers, among them being two pillows, one bearing the word, "Sister," and the other, "Ruth." Interment was in the Durant cemetery at Lower Cabot. "Fruit-a-tives" Restored Him to Perfect Health

SOUTH ROYALTON, VERMONT.
"About three years ago, I began to suffer with indigestion. Food soured in my stomach, causing me to belch; and I had terrible heart burn. I was knocked out and good for nothing, when I read about 'Fruit-a-tives' and sent for a box. To my surprise and gladness, I noticed improvement and I continued the use of 'Fruit-a-tives' or 'Fruit Laxo Tablets' with the result that a dozen boxes made me feel like a new person."
